**LAND CLAIM IN TERMS OF THE RESTITUTION OF LAND RIGHTS
AMENDMENT ACT 2014 (ACT NO 15 OF 2014).**

**PROPERTY DESCRIPTION: PTN OF PTN 7 OF THE FARM ROODEKRANS 457 IS
REFERENCE NUMBER: R6/142/278/115058**

We refer to the land claim enquiry on the **3rd of July 2024** on land claims lodged with the Department.

Please note that there is a new land claim lodged against the farm based on the Restitution, the Restitution of Land Rights Amendment Act, (Act no 15 of 2014).

The Commission is empowered to investigate all land claims and where applicable issues a Government Gazette to interested and affected parties if such land claims has been approved as valid claims.

The above claim was lodged in terms of the Restitution of Land Rights Amendment Act, 2014 (Act No 15 of 2014) ("the Amendment Act") which, amongst others, reopened the lodgement of claims for a period of five years.

The validity of the Amendment Act was challenged in the Constitutional Court.

The Constitutional Court found the Amendment Act to be invalid because of the failure of Parliament to facilitate public involvement as required by the Constitution.

The Amendment Act ceased to be law on 28 July 2016 and the Commission is no longer allowed to accept lodgement of new claims from that date.

The Constitutional Court ordered that the claims that were lodged between 1 July 2014 and 27 July 2016 are validly lodged, but it interdicted the Commission from processing those claims until the Commission has finalised the claims lodged by 31 December 1998 or until Parliament passes a new law providing for the re-opening of lodgement of land claims. Parliament was given until 27 July 2018 to pass such a law.

The Commission will therefore not be processing these new claims until it finishes claims lodged by 31 December 1998 or until Parliament passes a new law providing for re-opening of lodgement of claims.

We apologise for the inconvenience caused.

Please quote the claim reference number in all correspondence with the Commission.

Yours sincerely,

MR E.S. NKOSI
