In light of the minimum requirement as stipulated on Regulation 16 (1) and 16 (2) of the EIA regulations, your application for an Environmental Authorisation was incomplete as it was not accompanied by the acceptance letter as per Sub Regulation 16(1)(ix) and considering that it is now completed by this acceptance

letter, you are hereby required to submit the documents as stipulated on Regulation 19 (1) to 19(8) of the EIA Regulations (Only in cases where Basic Assessment Report is applicable) or Regulations 21 (Scoping Report) and Regulation 23 (EIR and EMPR) (In case of scoping and Environmental Impact Report). All timeframes are effective from the date of this letter.

Failure and or delays in submitting all required or requested information within the prescribed timeframes could have a negative impact on the aforementioned decision-date.

Should it transpire at later stage that the area under application is encumbered by an old order right, the Department will be entitled to refuse this application based on the fact that an old order right for the same minerals, has already been granted to another entity, as the granting thereof would be contrary to the provisions of the Minerals and Petroleum Resources Development Act, 2002 (Act 28 of 2002) as amended by amendment Act 2008 (Act 49 of 2008).

Yours faithfully
